Floating Off the Page: The Best Stories from The Wall Street Journal's "M (Wall Street Journal Book) Ken Wells

On any given day, millions of *Wall Street Journal* readers put aside the serious business and economic news of the day to focus first on the paper's middle column (a.k.a. the A-hed), a virtual sound-bubble for light literary fare -- a short story, a tall tale, an old yarn, a series of vignettes, and other unexpected delights that seem to "float off the page." In this first-ever compendium of middle-column pieces, you'll find an eclectic selection of writings, from the outlandish to the oddly enlightening. Read about:

- one man's attempt to translate the Bible into Klingon
- sheep orthodontics, pet-freezing, and toad-smoking
- being hip in Cairo, modeling at auto shows, piano-throwing
- the fate of mail destined for the World Trade Center after 9/11
- the plight of oiled otters in Prince William Sound

...and much, much more. Edited by 20-year *Journal* veteran Ken Wells, and with a foreword by *Liar's Poker* author Michael Lewis, *Floating Off the Page* is the perfect elixir for fans of innovative prose in all its forms and function.
