Life Every Day November-December 2014: More than enough Jeff Lucas

There are those who try to add to Jesus. They try to make new rules and regulations as though His grace isn't enough. Jesus is enough. In fact, He's more than just *enough* – He's perfect. There's nothing we can do or say to add to that, and anything we try to add is at best a distraction and at worst is disaster.

It's not only a modern problem. It's something which has been going on since the Early Church. We'll take a look at Paul's letter to the Colossians and return to the essentials of Christian living. The apostle calls us away from 'deep' sounding notions that offer much but deliver nothing. There's a glorious truth to be found – Jesus alone is enough for our salvation.
