Hot Valley: A Novel

James Lear

Hot Valley: A Novel James Lear

Move over, Scarlett O'Hara! It's New England, 1861, and the troubles in the southern states seem a long way off for Jack Edgerton, the spoiled son of a prominent Vermont family. However, when he meets and falls in love with Aaron Johnson, the sexy son of a slave on the run from Virginia, Edgerton's world is turned upside down. Separated by circumstances, the lovers pursue each other through the escalating madness of the Civil War and both find themselves forced to choose sides. After a series of outrageous adventures – including steamy woodland trysts and an impromptu jailhouse orgy that briefly reconciles the warring parties – they are reunited in the Shenandoah Valley in the autumn of 1864 — where the conflict is about to come to a bloody, burning climax.
