Proverbi arabi (Italian Edition)

Andrea Tralli

Proverbi arabi (Italian Edition) Andrea Tralli

In questi proverbi si fonde la lunga esperienza di un popolo. Se ne formano le giuste espressioni prive di artificio. In loro hanno confluato e si sono cristallizzati secoli di saggezza e di conoscenza. Attraverso di loro sarebbe facile tracciare le piste di quei carovanieri Arabi le cui cavalcature non erano soltanto cariche di spezie, di stoffe e di armi, ma pure di scienza e di poesia. Il loro contenuto è una sostanza strappata dal fondo comune di quegli uomini, incalzato soltanto dall'istinto spontaneo, dotato ancora di tutte le ricche radici delle energie popolari. La loro fortuna è la palpitazione stessa delle verità ch'essi toccano e comportano, senz'altro disegno che non sia quello di condensare in poche parole tutta una somma di buon senso, di prudenza e di ragione. Nella loro brevità, nella loro brusca illuminazione si riassume una sintesi morale, si sviluppa l'architettura di una filosofia, si proietta la visione di una vita interiore.
