“A NATION OF SHEEP WILL BEGET A GOVERNMENT OF WOLVES”—EDWARD R. MURROW

America is fast moving into a state of lockdown. Surveillance cameras, drug-sniffing dogs, SWAT team raids, roadside strip searches, blood draws at DUI checkpoints, mosquito drones, tasers, privatized prisons, GPS tracking devices, zero tolerance policies, overcriminalization, free speech zones—these are all symptoms of the emerging police state in America. A GOVERNMENT OF WOLVES paints a chilling portrait of a nation in the final stages of transformation into outright authoritarianism, whose citizens have become little more than a nation of suspects to be cowed, corralled, and controlled. Pulling from his extensive knowledge of constitutional law, history, and futuristic films, John W. Whitehead helps readers navigate this treacherous terrain and provides them with a blueprint for hopefully finding their way back to freedom.
