One of the most widely-adopted sources for current and authoritative information for international textile and apparel economics. As the softgoods industry (textiles, apparel, and retailing) approaches the millennium, globalization is dramatically changing the way business is conducted; this valuable book prepares the reader to understand and to deal with those changes. Expands coverage of textile/apparel production and trade in Asia, Western and Eastern Europe, Central and South America, North America, Africa, Australia, and the Caribbean to provide a more complete view of the industry around the world.
