A Talent For Quiet

Kim Chatel

A Talent For Quiet Kim Chatel

Reanie is a shy girl. She has a new step dad whose shoulders seem to fill their small house. Afraid to disappoint him, she retreats to her room whenever Bill asks her to play. But when he invites her on a photo safari in the creek, Reanie can't resist. As the father and daughter splash through the water, they encounter many creatures. Bill teaches Reanie how to handle a camera, and her new step-dad doesn't seem so strange anymore. Illustrated with Kim Chatel's stunning photography, this is more than a story. It is a journey with Reanie as she finds her voice and her artistic talent. The back of the book includes 5 nonfiction pages about photography: a glossary of terms, tips on taking better pictures and historical tidbits about photography.
