Governor's Travels: How I Left Politics, Learned to Back Up a Bus, and Found America Angus S. King Jr.

In January 2003, after two terms as Governor of the State of Maine, Angus King hit the road. Packing his wife and children into a Newmar Dutch Star RV, he set out on a five-and-a-half-month journey to circumnavigate the United States. Governor's Travels is the story of that adventure, describing the places they went and the people they met along the way. Interspersed with the travelogue, Governor King reflects on the transition from public office to private life and includes helpful information about selecting the right RV, a daily pre-drive checklist, and tips for handling a vehicle that large on the road.
