Joyce Lee Malcolm

Violência e Armas (Portuguese Edition) Joyce Lee Malcolm

Por trás do polêmico debate sobre o controle de armas de fogo, emergem suposições sobre a relação entre armas e violência. Existe, de fato, a crença que uma sociedade mais armada significa necessariamente uma sociedade mais violenta. Tal pressuposto justifica as rígidas legislações de controle de armas de fogo. Mas isto corresponde à realidade? Ao investigar um assunto tão complexo e controverso, Joyce Lee Malcolm apresenta um provocante estudo histórico sobre a sociedade inglesa, desde a Idade Média até o século XX, que analisa mudanças de atitudes frente à criminalidade e suas punições, o impacto da guerra, variações econômicas e também as modificações nos códigos penais. Malcolm destaca o nível de crimes à mão armada na Inglaterra antes das modernas leis restritivas ao porte de armas de fogo, as limitações por elas impostas, e se essas medidas foram ou não bem-sucedidas na redução dos índices criminais.
