My book while exposing abuse and corruption is NOT a negative book, but rather a book of hope and spiritual inspiration defining three mindsets: Sin nature - Natural mind Religious - Carnal mind Spiritual - Faith mind • For those reading this book walking by sight, my desire is for them to know God in Jesus Christ personally. • For those reading this book walking religiously, this book will give enlightenment and encouragement. • For those reading this book walking as Born Again Christian Believers, this book will be filled with blessings of peace. This book is to explain the plan of salvation as instructed in the Holy Bible not man's doctrines. God's plan of salvation is very simple: Sincerely repent to God and those one has wronged (sinned against). This is not self-serving repentance but to repent by yielding, surrendering to God, accepting the sacrifice of the shed blood of Jesus Christ (the Cross of Christ as forgiveness), and asking God's sweet Holy Spirit to dwell within. This book will give every reader a desire to fight against evil and fight for good in HOAs, churches, business, and any association. Raymen Starkka is a born-again believer who has become a whistle-blower on organizations, religious leaders, and associations like Home Owner Associations who abuse their members.
