Dramatic "eyewitness" accounts and highly informative text combine with detailed artwork to bring key historical events to life in an important new series of in-depth information books for 8 year-olds and up. Each title focuses on a topic of interest to this age group, who are hungry for facts. DK Discovery Guides make learning memorable-as well as fun! The series combines DK's main strengths: the accuracy of cutaway cross-section artwork and the immediacy of original photography with strictly factual yet richly evocative storytelling.
