Building Stones for an Understanding of the Mystery of Golgotha: Human Life in a Cosmic Context (The Collected Works of Rudolf Steiner) Rudolf Steiner

In these 17 lectures, Steiner throws new light on the historical background and esoteric meaning of what he refers to as the central event of human and earthly history: the Christ mystery or 'the Mystery of Golgotha'. First delivered to audiences a century ago, these lectures have lost none of their resonance; indeed, their essential message is perhaps more relevant than ever. They are published here in a new translation and for the first time in a complete English edition.
