Methods of Madness

Ray Garton

Methods of Madness Ray Garton

"This is the first fiction collection from Garton...his writing is compelling." -- Publishers Weekly

Ray Garton exposes himself as a master storyteller in METHODS OF MADNESS, with six stories centered on the psychotic, twisted deviations in human nature. Anchored by the riveting short novel, "Dr. Krusadian's Method," Garton's style is so real, so believable, he could be describing people you encounter every day. The couple upstairs, your neighbors and relatives, maybe even your own husband or wife. What kind of madness is really played out behind their shuttered windows? Also features the stories "Fat," "Active Member," "Something Kinky," "Sinema," and "Shock Radio." This is Ray Garton at his terrifying best.

"Garton is on his way to becoming a major name in any field he works in." -- Joe R. Lansdale
