Out of the Labyrinth: For Those Who Want to Believe But Can't J. Donald Walters

The last hundred years of scientific and philosophical thought have caused dramatic upheavals in how we view our universe, our spiritual beliefs, and ourselves. Increasingly, people are wondering if enduring spiritual and moral truths even exist. *Out of the Labyrinth* brings fresh insight and understanding to this difficult problem. Walters demonstrates the genuine compatibility of scientific and religious values, and how science and our most cherished moral values actually enrich and reinforce one another.
