From Book 1: Watch out, Junie, there's a new kid on the block! It's Freddy Thresher, a first grader who knows it's a jungle out there. A new chapter book series written by an elementary teacher who's seen it all!

Freddy Thresher has a problem: a really, really, big problem. He's the only one in his class who hasn't lost a tooth! All of the other students in Mrs. Wushy's first grade have signed their names on the Big Tooth, and Freddy's determined to get his name on it, too. So when Max "The Meanie" Sellars calls Freddy a baby, Freddy decides he's going to lose that tooth one way or another, even if it means getting punched in the face at recess, or even bigger trouble, with Mom!

Tracy Brown:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Ready, Freddy! (27 Book Series) can make you experience more interested to read.
