Barry O'Neill is journeying to New York on the *Titanic*'s fateful maiden voyage. He's homesick and worried about the Flynn boys traveling in steerage who have threatened to throw him overboard. Little does Barry know that a struggle with the Flynns is the least of the dangers that await him. This suspenseful young adult adventure story is based on the true and terrible events that occurred as the Titanic sank.

"A dread sense of the inevitable drives this taut disaster story-and makes it nearly impossible to put down."--*Publishers Weekly*
