Using the cable-cars means you can shorten or completely avoid long climbs up to some of the routes in this area, and the approach to the valley's 'mythic' descents, such as the north face of the Aiguille du Midi, can be relatively quick and easy. In fact, from the start of winter a veritable festival of freerider descents is played out before our eyes. Just after a large fall of snow, the slopes on the Glacier Rond, the Cosmiques Couloir and many other routes become almost 'snow parks', which would have been inconceivable 30 years ago...
