## **The Teacher** Paul Tremblay

In this Bram Stoker Award-nominated short story, a history teacher beings his unorthodox senior course with clips from an ominous surveillance video, causing a student's home life to deteriorate along with the lessons. From Paul Tremblay's *In the Mean Time*, this tale is one of fifteen "finely crafted" (Locus Magazine) stories of fear and paranoia, stories of apocalypses both societal and personal, and stories of longing and coping.

ChiZine Publications (CZP) curates the best of the bizarre, bringing you the most excitingly weird, subtle, dark, and disturbing literary fiction. Look for more titles in the ChiZine short stories collection to build your digital library.
