Women Artists

Margaret Barlow

Women Artists Margaret Barlow

This beautiful, oversized book features the work of women artists from the Renaissance to today. The full-page illustrations bring to light these artists' achievements, including historical and cultural notes to place their works in perspective. Margaret Barlow's informative and well-researched text highlights the lives and accomplishments of well-known and lesser known women whose art has been influential to the larger society, despite restricted access to formal training, and in the face of societal pressures to conform to prescribed virtues of "womanhood," overcame impediments to pursue successful careers in art through the ages—Judith Leyster, Elisabeth-Louise Vigée-Lebrun, Angelica Kauffmann, Emily Mary Osborn, Lilly Martin Spencer, Mary Cassatt, Camille Claudel, Paula Modersohn-Becker, Georgia O'Keeffe, Käthe Kollwitz, Frida Kahlo, Dorothea Tanning, and Judy Chicago, are some of the artists highlighted.

From reader reviews:

Cary Burgess:

What do you think of book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great and important the book Women Artists. All type of book are you able to see on many resources. You can look for the internet resources or other social media.

Randy Johnson:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is inside the former life are challenging be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take Women Artists as your daily resource information.

Cody Smith:

People live in this new time of lifestyle always aim to and must have the free time or they will get lot of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not just a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read is Women Artists.

Odis Hillyard:

Do you have something that you enjoy such as book? The guide lovers usually prefer to pick book like comic, short story and the biggest one is novel. Now, why not attempting Women Artists that give your satisfaction preference will be satisfied by simply reading this book. Reading routine all over the world can be said as the opportunity for people to know world far better then how they react in the direction of the world. It can't be explained constantly that reading behavior only for the geeky person but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you may pick Women Artists become your own personal starter.
