**Yellow Submarine: Midi Edition** The Beatles

**A whole new generation will be climbing aboard this sunny, psychedelic storybook, while nostalgic Beatles fans of all ages will be clamoring for a ticket to ride.**

Once upon a time (or maybe twice), some 80,000 leagues beneath the sea, there lay a colorful land of song and laughter called Pepperland, where Sergeant Pepper's Band was always playing your song — until the Blue Meanies burst on the scene and chased all the music and magic away. So began the classic 1968 film *Yellow Submarine*, inspired by a song and hailed as an avant-garde amalgam of pop art, Beatles music, and highly innovative animation. Now that film's dazzling images — and its lighthearted, witty tale — is showcased in a glorious picture book sure to be savored by fans and readers of all ages.
