Walking Point: From the Ashes of the Vietnam War

Perry A. Ulander

Walking Point: From the Ashes of the Vietnam War Perry A. Ulander

In this intimate memoir, Perry A. Ulander chronicles with powerful clarity the bewildering predicament he confronted and the fellowship and guidance that transformed him during the year he served as an American GI in the jungles of Vietnam. Conveying with unadorned precision the harrowing experiences that shatter his core beliefs, Ulander also captures the camaraderie and humor of his platoon, the hostility between "lifers" and draftees, the physical hardships of reconnaissance missions, and the unrelenting apprehension underlying everyday life. Ultimately, he describes the surrendering of social norms and accepted identities that allows him to glimpse a previously unimagined realm of heightened awareness.

Written after a lifetime of reflection on the nature of war and the effect of violence and domination on the minds and spirits of those forced to practice it, *Walking Point* offers a powerful narrative for readers with an interest in the effects of war and violence, American involvement in Vietnam, PTSD, and how trauma can be a catalyst for spiritual transformation. Giving voice to profound insights gained through extreme adversity, Ulander movingly captures the depth of trust and commitment among a group of unwitting warriors who struggle to stay alive and sane in uncharted territory.
