This new trilogy from three best-selling authors explores the differing perspectives of three high school seniors on the events and choices leading up to the death of a classmate, Sammy. All feel a measure of guilt for their role in the loss of their friend and must learn to understand their own life story through God's eyes instead of their own finite perspective. Nobody knows better than Miranda Sanchez that life isn't fair. She'd come to expect that life can kick you around, but Sammy was a different story. Miranda weaves her story threads into the drama of Sammy's last days. She's convinced he'd still be alive if not for her.
