Quilting is a fun activity that explores the creative ability of an individual. If you wish to give a personalized gift to a loved one that has a part of you and have carefully sewed together to create something exclusive in the truest sense of the word for that individual, then making a quilt is just the thing for you. It is often said that quilting is both a skill and an art. While selection of patterns, designs, colors and fabrics to put together a piece will test the artist in you, following the multi-step process is a skill, like no other. This book explores the different facets of quilting and throws light on each step you will need to undertake in the process.
