Conversas com um jovem professor (Portuguese Edition)

Leandro Karnal

Conversas com um jovem professor (Portuguese Edition) Leandro Karnal

O professor entra na escola e parece que nasceu para dar aula: sabe como lidar com os alunos, faz camaradagem com os colegas, dialoga com os pais. Nunca comete um deslize, passa muito bem o seu recado e todos o adoram. Será que nasceu sabendo ou foi aprendendo ao longo de alguns sucessos e outros tantos fracassos? Muitos são os livros que trazem teorias sobre a sala de aula, mas faltava um sobre a prática de ensinar. Não falta mais. Nestas “conversas” o leitor não encontrará citações de grandes obras, conhecerá experiências em classe. Tanto as que deram certo como as que fizeram o autor se arrepender depois. Professor com vasta experiência, dono de texto envolvente, Leandro Karnal discute os problemas cotidianos daqueles que lecionam: como dar aula, como corrigir provas, o que é necessário lembrar numa reunião com os pais. Em poucas palavras: como realmente lidar com as práticas escolares. Obra imprescindível para quem se aventura a ensinar.
