## **Em Busca De Equilíbrio - Temas Da Psicologia Pastoral (Portuguese Edition)** Jair Alvares Pintor

Os grandes projetos na vida do ser humano começam em algum momento e lugar. Normalmente, a família é o ponto de partida para este ser pequeno, que chega e precisará trilhar um caminho de equilíbrio. A jornada será longa e a busca do equilíbrio é o que fará diferença emocional e espiritual na vida de uma pessoa.

A conquista de equilíbrio por parte do ser humano é o que separará meninos de homens, omissos transeuntes de cidadãos comprometidos e pessoas de caráter duvidoso de homens retos. Preocupado com a construção deste humano equilibrado, o experiente Jair Pintor traçou linhas extremamente relevantes, que devem ser consideradas por pais, educadores e lideranças institucionais. Amparado na sua experiência de pai e educador por excelência, ele abre o baú de sua rica leitura dos temas da Psicologia interfaciando com a Teologia, na qual é mestre e nos dá, como resultado do seu garimpo, pérolas de discernimento da jornada humana.

Afinal de contas: "O mundo maior e mais complicado que construímos está na relação com o próximo". Quem quiser compreender um pouco mais das vicissitudes humanas: do bebê ao homem feito, passando pelos tipos de relacionamentos que nos vinculam e as variadas personalidades tem, nesta literatura, uma ferramenta indispensável, além do privilégio de dialogar com uma das mentes que mais contribuiu na formação de humanos, por acaso, líderes pelo Brasil e mundo afora.

Clemilton Andrade Souza Psicólogo Clínico / Familiar
