**A Thousand Sleepless Nights** Michael King

**A family torn apart by neglect and hurt...**

**And brought together again by a most unlikely force**

In the 1970s, escaping a home where he knew nothing but violence and hate, Jim Harding found work, and love, on the largest horse ranch in Virginia. The object of his affections, Nena St. Claire, is the daughter of the owner, a man who ruled his ranch with an iron fist and would do whatever it took to keep Nena and Jim apart.

Against the wishes of her family, Nena marries Jim, and after her father dies, she sacrifices everything--including her family--to keep the ranch alive. Now their three grown children have lives of their own and want nothing to do with Nena. She was never the mother they needed.

When cancer strikes and Nena is given a devastating diagnosis, can Jim reconcile the family before it is too late?
