In comics birds coming in to land are always portrayed as daring, do-or-die stunt fliers. In reality, these skillful pilots are masters of flight and crash landings are an unknown occurrence in the bird kingdom. In this series of images you can admire the elegant, sometimes foolish-looking, landings of swans, puffins, pelican, and other masters of the skies! Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
