Edward Aull

The Parent's Guide to the Medical World of Autism: A Physician Explains Diagnosis, Medications and Treatments Edward Aull

Dr. Aull clearly explains the world of diagnosis, treatments, and the overwhelming world of medications for parents facing a diagnosis for their child of autism. The much needed explanation of what is safe, and what to use when can be found here. Dr. Aull explain concepts about utilizing medication treatment, why medications might give an adverse outcome, and what might be done to improve the patient's results.

""This is the first book I have read where a wise, highly experienced doctor has discussed his use of medications on many different types of individuals on the autism spectrum."" -- Dr. Temple Grandin
